---

## SUMMARY

Accountant with 3+ years of experience in GST filing, TDS/TCS reconciliation, Tally Prime bookkeeping, and Amazon FBA multi-state compliance. Currently manage GST compliance, multi-state GSTIN reconciliation, and e-commerce accounting for a home appliances manufacturer, building Excel and Python-based reconciliation workbooks that hold up to audit. Based in India and open to accounting and bookkeeping opportunities in India and the UAE, including remote accounting/bookkeeping support engagements.

## EXPERIENCE

### Accountant — Weltherm Home Appliances Pvt. Ltd.

Srinagar, Jammu & Kashmir • April 2025 – Present

- Manage GST compliance and multi-state GSTIN reconciliation across Amazon FBA operations (Maharashtra, Haryana, Karnataka, West Bengal).
- Reconcile GSTR-8 TCS data and GSTR-2A/2B supplier data against Tally sales and purchase registers.
- Maintain day-to-day Tally Prime bookkeeping: sales, purchases, ledgers and inventory.
- Handle import accounting — costing BCD and SWS into stock item values per AS-2 and Section 145A.
- Generate E-Way Bills for import shipments, including multi-leg transport with Part-B updates.
- Build Excel and Python (openpyxl) reconciliation workbooks with formula-driven summaries and conditional-formatting match-status flags.

### Accountant & Data Entry Team Leader — Alrit and Associates

June 2023 – April 2025

- Handled core accounting and data entry operations, and led a data entry team.
- Built the foundational bookkeeping and GST filing experience carried into the current role.

## EDUCATION

### Bachelor of Arts, Economics — University of Kashmir

January 2019 – January 2024

## ACCOUNTING & FINANCE EXPERTISE

|                       |                                                                                                                                                    |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Accounting</b>     | Bookkeeping, sales & purchase accounting (AP/AR ledgers), ledger management, multi-state GSTIN management, import cost accounting                  |
| <b>GST</b>            | GSTR-1, GSTR-8 (TCS), GSTR-2A/2B reconciliation, ITC reconciliation (Rule 88A), HSN classification, E-Way Bill workflows                           |
| <b>Reconciliation</b> | GSTR-2A vs. Tally purchase register, GSTR-8 TCS vs. Tally sales register, Amazon reports vs. books, bidirectional invoice-level matching           |
